\$100.00

Investments are calculated on a fair share basis which takes into account the type of business and number of employees.

Investment dues may be deducted from federal income tax as a necessary business expense.

Representatives: A base rate investment entitles member to appoint one individual as a voting representative on the Chamber. Each additional \$150.00 above the minimum investment entitles member to one additional representative (maximum of 5).

Multiple Locations: Firms with multiple locations of operation in Central Baldwin which operate under the same name will pay per Membership Investment Schedule for the first business and pay employee count only for additional locations (financial institutions included).
